

THE GREAT 2022 HALFMOON BAY

PUMPKIN TRAIL

Last year we had +120 jack-o-lanterns on the trail, please consider helping us again this year!

HOW CAN YOU HELP?

- Carve a pumpkin
- Add a battery-operated candle
- Place on the trail after 4PM on Halloween night

Volunteers will light the pumpkins just before dark. Next day the pumpkins will be gathered up & delivered to a local farm for the animals to enjoy.

Everyone is welcome to join in this fun HMB tradition!

DON'T FORGET : The Halfmoon Bay Community Association will be set up at the Lohn end of the trail with hot apple cider and treats!

Pumpkins can be dropped off ahead of time. Contact Wendy in the Community School Office to make arrangements: wwhite@sd46.bc.ca or (604) 551-8461
